FOR IMMEDIATE RELEASE

MilSource Receives Accreditation for ISO 9001 and AS9120B

PRI Registrar recognizes MilSource for its commitment to continual improvement in their management system

Los Angeles – March 5, 2019 – MilSource today announced it has received ISO 9001:2005 and AS9120B accreditation for its quality management system as a distributor of military-grade switching, routing and other communications solutions.

"As the exclusive US supplier of Techaya Ethernet switches, routers and hubs to some of the largest defense contractors and military organizations in the United States, our customers need to be assured that our processes, documentation and team of employees meet a rigorous standard of quality and organization," said Sara Isaac, Quality Manager of MilSource. "Meeting ISO and AS certification ensures they our processes for inventory, tracking and delivery are consistent and secure."

"MilSource has demonstrated its commitment to world class quality management by implementing and becoming certified to the ISO 9001/AS 9120B standard. They have joined an elite number of organizations worldwide who have achieved certification to this globally recognized quality standard," said Randy Daugharthy, Director of the Registrar Program at the Performance Review Institute Registrar. "PRI Registrar is proud to partner with MilSource in this accomplishment and look forward to continued support of their objective of quality excellence."

About MilSource

MilSource is focused on bringing innovative, rugged, military-grade Ethernet communications solutions the military and aerospace markets for both manned and unmanned systems. MilSource is the exclusive U.S. distributor of Techaya's MILTECH line of military-grade switching, routing and other communications solutions. For more information on MilSource, or the Techaya product line, go to www.militaryethernet.com.
